

Training Terms & Return Policy

We are a proudly R+ facility and do not use or accept aversive training tools such as choke chains, prong collars, or shock collars. Harnesses are strongly recommended, and Martingale or flat collars are acceptable. Payment for any training package must be made in full to reserve your spot. Cancellations require at least 48 hours' notice; otherwise, the session is considered complete. Payment is non-refundable after 48 hours, but you may substitute future training sessions.
